

*September days are here,
With summer's best of weather,
And autumn's best of cheer!*

The Halloween Helpers

The Halloween Helpers collects gently-used Halloween costumes and donates them to children who may not typically be able to participate in this yearly celebration. In 2009, The Halloween Helpers is partnering with the Greater Norristown PAL to distribute costumes to kids who reside in this deserving community.

Genesis Housing Corporation will be hosting a costume collection drive the week of September 14th. We are seeking the following types of Halloween costumes:

- Clean, gently-used costumes
- Infant through adult sizes
- Individually bagged
- Labeled with the following information: gender, size, type
- Complete costumes preferred (What is a pirate without an eye patch? A princess without her crown?)
